

Dr David A. Holmes

1961-1967

Dr David Holmes became a psychologist in 1985 and gained his Doctorate in 1994, specialising in clinical and forensic psychology.

He founded and is director of the internationally recognised Forensic Research Group and has published many academic books and papers on abnormal, clinical and forensic psychology.

He has featured in many press articles in publications varying from The Independent to Glamour Magazine and even Playboy. He has been a 'media psychologist' on more than 1,000 TV and radio broadcasts, including appearances on IF, Stalkers, Born to Kill, Richard & Judy and Blue Peter.
