Contacting the School

If you have a query or a specific concern, you can contact the school in a number of ways.

- Call the Main Reception on **01482 342229**
- Contact your child's Pastoral Year Team using their email - year7pastoral@kelvinhall.net, year8pastoral@kelvinhall.net, year9pastoral@kelvinhall.net, year10pastoral@kelvinhall.net, year11pastoral@kelvinhall.net
- Email a query to info@kelvinhall.net

If you have contacted the school and have not been able to speak with the correct person or if you feel that the school has not dealt with your query or concerns properly, you can contact a member of the Senior Leadership Team by emailing info@kelvinhall.net. This email address is checked every day and any concerns will be passed to Mr Leng, the Head of School, or to the most appropriate member of the Senior Leadership Team.

Kelvin Hall School - Arbor & Communications

We are thrilled to share that, since switching to Arbor, 96% of parents and carers have successfully been using the Arbor app. The Arbor app is an excellent resource for monitoring your child's attendance, behaviour, booking appointments for Progress Evenings, and more. We also use it to send important messages home, a feature we will increasingly rely on.

When receiving an Arbor message, if that communication is not open in the app within a certain time (usually 2 hours), then you will receive a text. This is to ensure that all messages reach parents and carers.

If you experience any login issues, please contact arbor@kelvinhall.net for assistance. You can find helpful links below:

End of Year Exams - Timetable

June marks the beginning of the End of Year exams for all year groups, from Year 7 to Year 10. You can find the exams' timetable [here](#).

Please note that this timetable does not show exams that will be taking place in pupils' classrooms. You can refer to our Curriculum website if you would like to see the End of Year exams' windows for all subjects.

Equipment Reminder

Thank you for your ongoing support ensuring that our students arrive at school prepared and ready to learn. Whilst we always equip students if they are not fully organised, students are expected to have a bag with their Planner, Conduct Card and a pencil case with pens, pencil and ruler.

If you receive a message/email, this is a friendly notice to inform you that your child does not have all of the required equipment to learn.

Advance Notice of Road Closure - County Road North

Please be aware that there will be planned roadworks on County Road North. Due to the location of the gas main and to keep residents and engineers safe, Northern Gas Networks will need to implement a road closure on County Road North at the National Avenue Junction. [Please see attached plan for details](#).

This is due to begin Saturday, 6th July and scheduled for 5 weeks until Sunday, 11th August. Please allow extra time for travel to school.

Wellbeing Dog - Lizzie

Lizzie is back on her usual timetable and will be in school on Tuesday and Thursday.

'Climate Ready' Arts exhibition for all the family

We'd like to invite you to join us on Saturday the 22nd of June from 1-3pm for a special family friendly session at the exhibition. Through playful interaction people of all ages can contribute their point of view to this ongoing conversation. We aim for this work to end up as a 'road map' for policy and community action, responding to climate change. Come be part of it!

Time: Saturday the 22nd of June from 1-3pm

Location: Space 2, Humber Street Gallery, 64 Humber Street, Hull, HU1 1TU

Free admission

Co-Creating a Climate Ready Hull is an exhibition that has engaged primary and secondary school pupils, policymakers, community groups, academics, artists, and the general public in a visual conversation about the city's response to climate change. The exhibition is interactive, designed so that the viewer can add their voice and contribute to Hull's sustainable future.

Physical activity plays a key role for both mind and body. Regular exercise has been shown to reduce stress, improve mood, and give a boost to self-esteem. Access the linked resource to read the benefits available to exercising, as well as how to overcome some barriers.

Extracurricular Celebration

A group of twelve Year 9 pupils attended the **East Yorkshire and North Lincolnshire Science and Technology Challenge** day.

They completed three challenges over the day:

1. producing an E-Fit image of a criminal using police software
2. diagnosing illness in a patient
3. programming an electric car around a course.

Much to their despair, they were put in pairs and teamed up with a pair from another school. However, they were firm friends by the end of the day, hugging each other in celebration.

Teams with our students won 2 of 3 challenges and the overall winners (Dan B and Jaykub S) for the day. The two schools in the overall winning team have been invited to the national finals in January.
