17th June 2024

Dear Parents and Carers,

RE: GCSE Results Day - Thursday 22nd August 2024

Firstly, I would like to take the opportunity to thank you for your support of students and the school over the last several months. It has been fantastic to see how students rose to the challenge of the exam season and have given it their all for the exams. Students have been a credit to themselves and to the school throughout the exam period.

Following their excellent conduct, and to commemorate the final day that the full cohort of Year 11 students will be at Kelvin Hall, we will be hosting a Shirt-Signing Celebration event after the Statistics exam today. This is always a wonderful event where students and staff can enjoy some refreshments and say goodbyes.

Please be aware that this is not the final day for all students (there are Portuguese, Polish, Further Maths and Food exams after this date), **but today is the last day for the vast majority of students in Year 11.** Students who study Food and/or Further Maths will be in school on Tuesday 18th June for final preparations for these exams. Further Maths and Food Choice 2 (usually completed in Thursday periods 4 and 5) students will be in school for exam prep from 8.45am until 12.05pm. Students who study Food Choice 3 (usually completed Wednesday periods 4 and 5) will be in school from 12.45pm until 15.15pm. Students completing exams on Wednesday 19th June will leave school as soon as their exam has been completed.

Further to the above, I am writing to inform you of our plans for Year 11 Results Day on Thursday, 22nd August 2024. We will be holding a results day celebration where students can come into school to collect their results, have the opportunity to see their friends, and say their goodbyes to staff.

Arrangements for results day

- All students will be allocated a **time slot and desk** to collect their results in person.
- Students will enter the school via the main school entrance.
- Results desks will be set up in the Main Agora numbered 1 - 8.
- After picking up their results, students will exit through the pupil exit doors in the first wing onto the playground.
- Parents, siblings and friends are welcome to accompany the students onto the school site, but will not be allowed inside the school building.
- Students who cannot collect their results in person on results day can complete the following form <https://forms.gle/3X9ytZDjYkwoaB3G6> (from their current **school email** address only) to advise us on how they would like to receive their results. This form must be received before the 19th of August. We will aim to email results before 1.00 pm on the 22nd of August.
- Due to data protection, results **cannot** be given to any other person (including parents) unless the student has emailed the exams team before the 19th of August, giving clear instructions to email or hand their results to another person.

- If the results are not collected on Thursday 22nd August, they will be posted first-class to the address we have on our records for the student, unless requested otherwise. If you have recently moved, please ensure you have kept the school updated with this information.
- If you have any queries, please contact exams@kelvinhall.net

Other relevant information for the day

During the morning, our Careers team will be on hand to assist with any queries and concerns. Members of staff from Wyke College, Wilberforce College, and Hull College will also be available at Kelvin. Students can also contact the National Careers Service helpline to chat with an adviser tel. 0800 100 900 (8 am to 8 pm).

We would also like to share with you a useful booklet for students, parents and carers with information about your results and post-results services, you can access the document through this link: [Post Results](#). (also available on our Exam Support page, kelvinhall.net/students-exam-support) I hope that this letter and the booklet explain everything you need to know, however, if you still have questions or would like to speak to somebody about our results processes, please contact exams@kelvinhall.net.

Once again, thank you for your support over the last five years at Kelvin Hall. I hope students have a wonderful summer holiday before their return to education in September. We look forward to seeing students and parents on results day on Thursday 22nd August.

Yours sincerely,

Mr Christopher Leng
Head of School
Kelvin Hall School
