Preparation for Adulthood Event - Wednesday 26th March

There will be a "Preparation for Adulthood" event on Wednesday 26th March, from 10am to 6pm, at the ground floor of Princes Quay. This event is aimed at SEND young people from Year 9 and above. They will be able to meet, and discuss future opportunities, with colleges, training providers, voluntary groups, agencies support transition, and many more!

This year's event will also feature information on Supported Internships to raise awareness of this option as a route into employment for young adults with an EHCP.

Dinner Card Top-Up

We kindly ask all parents and carers to ensure their child's dinner card is topped up on time to avoid any difficult situations where they may be without money for lunch.

Please remember that timely payment for school dinners is essential. Thank you for your cooperation!

Wellbeing Welcome - Monday 3rd February

The next Wellbeing Welcome session will be on Monday 3rd February. This is a relaxed, informal session, held in Dining Room 2 with our Wellbeing tea, and open to all parents and carers to sit and enjoy tea or coffee, and chat with our Wellbeing team.

If you want to discuss this session before attending, please do not hesitate to contact Mrs Counter, Designated Wellbeing Lead, at counterc@thrivetrust.uk or you call the school on 01482 342 229.

Safeguarding Savvy

What is Children's Mental Health Week?

Children's Mental Health Week is a mental health awareness week that launched by children's mental health charity, **Place2Be**. The week exists to empower, equip and give a voice to all children and young people in the UK.

When is Children's Mental Health Week 2025?

Children's Mental Health Week 2025 will take place from 3-9 February 2025. The week launched a decade ago in 2015 and we celebrate it every February, with this year marking the 11th Children's Mental Health Week.

What is the theme for Children's Mental Health Week 2025?

This year, Children's Mental Health Week focuses on **Know Yourself, Grow Yourself**.

We want Children's Mental Health Week 2025 to encourage children, young people and adults to embrace self-awareness and explore what it means to them. This will help them grow and develop resilience to cope with what life throws at them.
