Thrive Mission Statement

Inspiring pupils to thrive in life

Thrive Values¹

Thrive Co-operative Learning Trust understands thriving to mean learning, and learning to mean growing in knowledge, self-reliance and in responsibility towards others. Achieving this will allow pupils and staff to develop a sense of agency and co-agency, which is the awareness that we are powerful and can affect change, that life is something to be grasped rather than something that happens, and that we have maximum impact when we work together for the common good. This sense of agency plays out at three scales as it affects the future of the individual, their community (local and national), and their planet.

To thrive, pupils and staff need **environments that are safe**, for **equality to be promoted and diversity to be celebrated**, and for **wellbeing to be valued**, **nurtured and supported**.

- Because the service we provide is crucial to each pupil's future life chances, we ensure that **we give all pupils the opportunity to thrive**, whatever their background or perceived abilities.
- Because our task is challenging we all strive to grow and develop, and we support each other in this and in developing a good work-life balance.
- Because thriving happens best where adults provide pupils with a consistency of approach, we need
 people who will play their part for the greater good of the team.
- Because we serve our local communities we act as partners in the process of assisting our children to thrive and will work cooperatively to see this happen.
- Because leadership is a privilege we exercise leadership in an ethical manner and commit ourselves to upholding The Seven Principles of Public Life.
- Because we are facing a climate crisis we will work towards being an environmentally sustainable organisation and will develop pupil and staff participation in achieving this.
- Because we are funded with public money we will ensure that we focus our resources on pupils and enable them to thrive.

3 Purpose and Background

This policy statement sets out Kelvin Hall School's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education offer. We also aim to ensure that students are provided with encounters with at least four providers of approved technical education qualifications or apprenticeships (2 in Y8/Y9 and 2 in Y10/11) as stipulated in the proposed revision of the Provider Access Legislation (2022).

8 Public Sector Equality Duty

- 8.1 The Equality Act 2010 replaced and unified all existing equality legislation such as the Race Relations Act, Disability Discrimination Act and Sex Discrimination Act. It aims to ensure that people have equality of opportunity in accessing and experiencing public services. Schools when carrying out their day to day work should have regard to the following:
 - eliminating discrimination;
 - advancing equality of opportunity and;
 - foster good relations across all characteristics
- 8.2 Schools cannot unlawfully discriminate against pupils because of their disability, gender, race, religion or belief, sex and sexual orientation. Protection is now extended to pupils who are pregnant or undergoing gender

reassignment. This means it is now unlawful to discriminate against a transgender pupil or a pupil who is pregnant or recently had a baby.

8.3 This policy was reviewed and updated with reference to this duty. The author/s of this document considered this policy in the light of these requirements to ensure that this School adheres to these statutory regulations.
